

# P1AD-18FSAF

RF Adapter, 1.85mm Female to SMA Female. Frequency DC to 27 GHz ,VSWR 1.20 max.

## Product Features

P1AD-18FSAF is a 50 Ohm RF adapter. 1.85mm female to SMA female.

The body is passivated stainless steel.

Frequency is DC to 27 GHz with a max VSWR 1.20.

## Mechanical And Environmental Specifications:

| Parameter       | Description   | Notes |
|-----------------|---------------|-------|
| Connector 1     | 1.85mm Female |       |
| Connector 2     | SMA Female    |       |
| Orientation     | Straight      |       |
| RoHS Compliance | Yes           |       |
