

**Product Features**

**Electrical Specification: T<sub>Ambient</sub> = 25° C**

| Parameter       | Frequency Range | Units | Min | Typical | Max  | Notes |
|-----------------|-----------------|-------|-----|---------|------|-------|
| Frequency Range |                 | GHz   | DC  |         | 40.0 |       |

**Mechanical And Environmental Specifications:**

| Parameter       | Description   | Notes |
|-----------------|---------------|-------|
| Connector 1     | 2.92mm Male   |       |
| Connector 2     | 2.92mm Female |       |
| RoHS Compliance | Yes           |       |
